

# POLYMER BINDERS

Improving products and entering new applications through polymer modification.  
2-day fundamental seminar

## Aims

You will get an overview on the main drymix mortar applications and the benefits of using VINNAPAS® dispersible polymer powders and dispersions.

## Target Group

Technical managers and R&D managers

## Contents

- Market-oriented information about dispersible polymer powders and their benefits in drymix mortars
- Historic development of drymix mortars
- Introduction in the polymer chemistry
- Main standards and test methods
- Information about the latest test methods and standards

## Instructors

Abbas Kanisan,  
Mohammed Sanaobar

## Requirements

**Basic knowledge of chemistry**

## Dates

**Upon request (English or Arabic)**

## Duration

**2 days**

## Location

**WACKER ACADEMY,  
Dubai/UAE**

## Fees

**USD 300**

## Number of Participants

**4 – 50**

<< All topics of the training were equally important and interesting. >>

Participant of the seminar Polymer Binders, Dubai
