

**RESULT AVAILABLE**

Protecting our information and that of our customers is essential for WACKER. For this reason, we have been operating a comprehensive information security management system based on ISO 27001 for many years.

The excellent level of information security at WACKER has now been confirmed by the ENX Association during a Level 2 TISAX assessment of the Burghausen (GER), Pilsen (CZ) and Zhangjiagang (CN) sites and certified by the award of a TISAX label.

We will continue to make every effort to protect the confidentiality, integrity and availability of our processes and information to remain a reliable and secure partner for our customers.
