

75 years **WACKER SILICONES**

WACKER has strong commitment to sustainability and expands innovation for the personal care space

Innovation Hub Personal Care NEXT

- ▶ Implementation of new functions in 2023
- ▶ Dedicated research and formulation teams in Burghausen, Germany and Ann-Arbor, USA.
- ▶ Specific focus on new, innovative sustainable raw materials
- ▶ Leveraging the cross-divisional know-how of WACKER
